

NEWS FROM Mrs. Dravet

December 11th

Reading/Language Block

We finished Unit 2 of our reading book. The class will be taking several short unit assessments on the material covered in class. Also, everyone has been busily writing step-by-step instructions on how to build a Lego creation. It's harder than it sounds! We are also finishing our Prezi presentations on service organizations.

Math

We wrapped up our division unit this week. The class took the chapter test on word problems and interpreting remainders. They did awesome!!! In addition, they took the pretest on fractions. We will preview this material next week and begin our fraction and decimal unit when we return from break.

Magical Birthdays!!

Anna 12/7
 Luke R 12/7
 Fahad 12/15
 Zach 12/17
 Forge 12/19
 Crystal 12/22

Feed My Starving Children Field Trip

Thank you to everyone who volunteered to join us on the field trip! What a great supportive group of parents ☺ I sent home a note with your child last week giving you information on volunteering that day. I will also follow-up with an email. We are really looking forward to it!

Miscellaneous

Many students are in need of earphones or ear buds to use with their computer at school. With the holidays around the corner, this might make the perfect stocking stuffer!

This will be my last parent letter before winter break. I wish you all a wonderful and relaxing holiday and a safe and healthy new year!
