

# NEWS FROM Mrs. Dravet

## November 6th

### Reading/Language Block

We read the story Hold the Flag High this week while working on inferring and finding the theme of a story. We also watched a great video called French Roast to practice these skills. It is on my Symbaloo page if you would like to see it. We started researching service organizations which go along with our unit theme of "Doing the Right Thing."

### Math

We finished our geometry unit this week with a test on Wednesday. Next week we will begin division with whole numbers and decimals. If your child needs extra practice with their division and multiplication facts, this would be a great weekend to do it.
