

# NEWS FROM Mrs. Dravet

## October 16<sup>th</sup>

### DEAR PARENTS,

I am writing to let you that starting on Monday, October 18<sup>th</sup> I will begin working ½ day mornings as part of my ongoing medical treatment. This is such a wonderful class, and it is a real disappointment to miss any time with them, but your child will be in excellent hands as Mrs. Theriault and Mrs. Southcott will be taking over in the afternoons during my absence. Both teachers have taught 5<sup>th</sup> grade at Cloverdale and are excited to work with your child. Hopefully, the time off will ensure that I am able to be my best with your child while I am at school, and at the same, time get the rest and care I need. I am expected to make a full recovery, and I am very much looking forward to returning to the classroom full-time shortly before winter break. Thank you for all of your patience and understanding in this matter. I am truly fortunate to have such an amazing group of parents this year.
