

# NEWS FROM Mrs. Dravet

## October 23<sup>rd</sup>

### Reading/Language Block

This week your child worked on writing a story about a spooky haunted house! Eek! Creepy! While writing the story, the class paid special attention to using figurative language in their story to bring it to life. They also took the Unit 1 District Assessment and a Unit 1 vocabulary test.

### Math

We continued to work on our geometry unit this week. Your child should know how to measure angles and know the properties of triangles and quadrilaterals. Also, your child was given a username and password for the math program Prodigy. The class LOVES this program and is learning Common Core at their math level while they play - win/win!!! Please see the Friday folder for information on this game.

Don't be afraid of opposition.  
Remember, a kite rises against, not with, the wind.

### Other News

Please remember to sign-up for Parent-Teacher conferences ☺ I'm looking forward to meeting with you and discussing your child's progress.

Picture retakes will take place on Thursday, November 5<sup>th</sup>.

### Social Studies

Your child finished reading about the adventures of Lewis & Clark and their expedition through the wilderness. The map test and multiple choice/short answer test was on Friday. Next week, they will begin their next science unit.

Have a wonderful weekend!

Kellie Dravet
