

NEWS FROM Mrs. Dravet

October 31st

Reading/Language Block

This week we began our next unit of study which will run for the next 5-6 weeks. All of the stories in this unit attempt to answer the question, "What makes people want to do the right thing?" This week we focused on honesty while reading the story "At the Beach." We learned some amazing words like integrity, morals, honorable, principled and justice. We are also focusing on finding the theme of a story and deciphering the meaning of unknown words.

Math

We finished our geometry unit this week. A study guide will go home on Monday and the test will be on Wednesday. There are several great computer games on my symboloo page to help your child practice - check them out over the weekend if your child could use the extra practice.
