

September 4th

Reading/Language Block

We are almost done reading the novel Frindle - what a great story! Ask your child to tell you about rising action and climax of the story. We also read an excerpt from the novel The Red Kayak in our reading book. We compared and contrasted the main character in the story with the main character in our guided readers. Next week the class will begin their first writing assignment.

Math

Did your child challenge you to a game of Factor Captor this week? The class learned about prime and composite numbers while playing this game in class. Also, we also discussed divisibility rules. Next week, we will work on squaring and unsquaring numbers.

Patience, persistence and perspiration make an unbeatable combination for success.
