

September 11th

Reading/Language Block

This week the class read the tall tale "Thunder Rose." We discussed challenges that nature presents and the devastation that it often causes. We looked the elements of a tall tale and discussed hyperbole and dialect. Next week, your child will start researching a weather topic of their choice and begin writing their own tall tale.

Math

We finished Unit 1 this week! Next week, we will review for the math test (study guide will go home on Monday), and we will take the test on Wednesday. The following week the class will begin switching for math extension. They are really excited about this!

Thank You

Thank you once again for the lovely flowers and all of the well wishes. I am fortunate to have such a wonderful, supportive group of parents as you! Thank you most sincerely ☺

Motivation:

Motivation will almost always beat mere talent.

Norman Ralph Augustine

Social Studies/Science

Wow! The class did an awesome job on the Social Studies test this week! This is one motivated group of kids! Next week, our class will go to Mrs. Nakamoto's room for science.

NWEA

The class will take their first NWEA reading test on Monday. Please send your child to school well-rested and well-fed! Also, please remember to charge all laptops over the weekend. Thanks!

PTA Reminders

Charleston Wrap orders are due on September 21st. Also, THANK YOU for all of the box tops that have been coming in!!

Have a wonderful weekend! Kellie Dravet
