

# NEWS FROM Mrs. Dravet

## JANUARY 29<sup>th</sup>

### Reading/Language Block

We read the story *The Dinosaurs of Waterhouse Hawkins* in our reading textbook this week. The class not only learned about this amazing artist, but they also learned about the work of paleontologists in our guided readers. Don't be surprised if they ask you to see "Sue" at the Museum of Science and Industry. We also learned about different types of text structure and how they help us understand the text. The inventor papers look great! I'm looking forward to reading them this weekend ☺ Also, just a reminder that the January Reading Logs are due on Monday. New reading logs for February are in your child's Friday folder.

### Math

We finished our unit on fractions this week and reviewed some concepts that were challenging to the students. Due to the length of the math test, we will take the test in two parts next week. See the schedule below for more testing information. Also, please encourage your child to continue working on Compass Learning at home. It really makes a difference!

Magical Birthdays!!  
Adam 2/16

### Science

This week in science the class learned about diffusion and the breathing process. They even made a model of a lung! The test was on Friday. Next week the class will be working on the circulatory system with Mrs. Nakamoto.

### Valentine's Day

For those of you who like to be prepared, here is a list of students in our class:

#### Boys

Evan A.  
Zach B  
Luke B  
Adam H  
Fahad I  
Treyson K  
Jorge M  
Alex N  
Shivang P  
Jinesh S.  
Luke R.  
Joel R.  
Josh W.

#### Girls

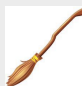

Jessica C  
Fernanda C  
Kate J  
Zufan M  
Jadyn S  
Anna S  
Crystal S  
Taliyah D

Have a wonderful weekend!  
Kellie Dravet
