

NEWS FROM Mrs. Dravet

February 12th

Reading/Language Block

In class this week, we read a story about the singer Mahalia Jackson. In our guided readers, we learned about famous blues singers and the evolution of blues music. We continued working on summarizing a text - which can be a tricky skill to learn. Ask your child to summarize a book they are reading using "Someone-Wanted-But-So-Then" method ☺ Also, the Six Flags Read to Succeed forms are due next Friday.

Math

We began unit 6 in math by creating line plots. Then we moved on to units of measurement. Ask you child to share their gallon man shield with you - it may be helpful while cooking in the kitchen! We also reviewed elapsed time. Next week we will go over U.S. customary units (feet, yards, inches) and metric units of measurement.

Magical Birthdays!!
Adam 2/16

Science/Social Studies

The class finished their unit on the circulatory system. They took their test today. Next week, we will begin our Civil War unit in my classroom.

Other News

If you would like to schedule a spring conference, sign up on PTC wizard on the district website. The dates are Thursday, March 3rd and Thursday, March 10th from 4:00-8:00.

Also, all students need ear buds or headphones to use with their computer. Please provide one if your child does not have one. Thank you!

Next Friday marks the end of the 2nd Trimester. All missing or incomplete work must be completed and turned by that date.

Have a wonderful three day weekend and a happy Valentine's Day!
Kellie Dravet
