

NEWS FROM Mrs. Dravet

May 20th

Reading/Language Block

This week we read a story in our reading books about the sinking of the Titanic and the underwater discoveries that have been made. As the year draws to a close, we are spending time reviewing the reading skills we've learned this year.

Math

We are continuing to work on Unit 10 - beginning algebra concepts. The class has been using pan balance equations for solving equations, writing algebraic equations, and creating and analyzing graphs. The test on this material will be on Friday, May 27th.

Upcoming Events

The D.A.R.E. graduation ceremony is on May 25th at Jay Stream Middle School at 6:30. See you there!

Track and Field Day is scheduled for Thursday, May 26th (rain date Tuesday, May 31st). Thank you to everyone who is volunteering!

Also, if you are able to volunteer for the end-of-the-year carnival on the last day of school (June 3rd), we would love to have you!! It should be a great time!

Magical May & Summer Birthdays!

Jadyn 6/1
Zufan 6/1
Treyson 6/3

Evan 7/14
Fernada 7/19
Shivang 7/24

Brains for Sale

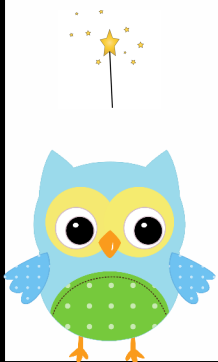

Your child is researching the three parts of the brain - then using their persuasive skills to try "sell" their amazing brain! They are designing an advertisement explaining what makes THEIR brain unique. Directions for this project were provided in class.

NWEA Testing

Please remind your child to come to school on Monday with their computer fully charged for the NWEA Math test. Also, please make sure your child is well-rested, and has eaten a good breakfast. It makes a difference ☺ Thank you!

It looks like it is going to be a beautiful weekend! Enjoy every moment of it!
