

NEWS FROM Mrs. Dravet

MARCH 10th

Reading/Language Block

We read the short story Weslandia this week which is about a young boy who doesn't fit in with his peers so he creates his own civilization. As an extension to this story, your child will begin constructing their own civilization in the weeks ahead - they are very excited about this in-class assignment! In our guided groups, we focused on using the text and our own experiences and knowledge to draw conclusions.

Math

We have been working on exponential notation, powers of 10, and scientific notation this week. Overall, the class is doing really well with this material. Next week, we will learn about parentheses, order of operations, and line plots. We will take the Unit 7 test the week before spring break.

Spring Forward!

Remember to change your clocks this weekend!

Science

The class is learning about the nervous system in Mrs. Lynn's class. The class will be tested on this material on Thursday. Study hard!

Other News

Mark your calendars for the Cloverdale School Dance on April 8th. Also, April 15th is the last day to turn in Box Tops for Education.

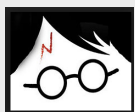

D.A.R.E.

Next week, Officer Castro from the Carol Stream Police Department will begin coming to our classroom each week to talk about Drug Abuse Resistance Education, or D.A.R.E. He will meet with our class once a week for 7 weeks. On Wednesday, May 25th we will have a D.A.R.E. graduation ceremony for all students. Mark your calendars ☺

Have a wonderful THREE day weekend!
Mrs. Dravet
